

Heavy Duty Drain Opener

A strong, effective, commercial grade, non-acid formula designed to dissolve the toughest drain clogs. Powerful dual hydroxide formula dissolves hair and creates heat to melt grease.

FEATURES

- 15X more effective than common drain openers
- Continuous action for as long as the product is in drain
- No odors, no fumes
- Safe for all pipes
- Dual hydroxide formula
- Made in the U.S.A.
- Toll free helpline at 1-800-613-4242

APPLICATIONS

- Hotels/Motels
- Apartment Complexes
- Residential
- Restaurants
- Hospitals/Nursing Homes
- Industrial/Manufacturing Facilities
- Educational Facilities

DIRECTIONS FOR USE

- Sinks/Kitchens
Slowly pour 2 cups directly into drain. Allow to stand 1 hour before flushing with hot water. Overnight is best. Instant Power will continue to dissolve hair and grease deposits as long as it is in the drain. If the clog is further down the drain pipe, more Instant Power will be needed to reach the clog.
- Floor Drains
Slowly pour 8 cups directly into drain. Allow to stand 1 hour before flushing. Overnight is best.
- Wear safety goggles and long rubber gloves to protect from possible eruption of lye. Remove standing water. Pour drain opener slowly directly into drain.
